APPEAL

Subject: Request for review - payout statement ST-G01_duplicate

To: QuickDrop Partner Support

Dear QuickDrop Partner Support,

I am requesting a review of my payout statement for 2026-10-01 to 2026-10-31. I compared the deductions below with QuickDrop’s published policy.

1. Duplicate Deduction - Rs. 75.00
Order(s): QD-1001
Deduction(s): D-0001, D-0002
Source: "Order QD-1001: 2 x LATE deductions at 19:10, 19:14, each Rs. 75.00."
Policy: QD-DED-001 - One deduction per order and reason
Source URL: https://quickdrop.example/policy/deductions#QD-DED-001
Why: Order QD-1001 has 2 LATE deductions. The policy allows one deduction per order and reason; 1 duplicate charge is contestable.
Requested action: Reverse the duplicate charge.

Total requested for review: Rs. 75.00.

Please confirm receipt and respond within the timeline in your published grievance process.
I have kept the order and deduction references in the attached evidence pack.

This is a request for review, not legal advice. I have not sent this automatically.

Sincerely,
W-1042
